## CUFFS

It's not hard to wear your sartorial elegance on your sleeve when you have a shirt with elegant cuffs. Considered to be the perfect touch for business wear, smart cuff is one of those things that will never go out of style.

It's always the most minute detail of fashion that are most important. If you have the time and money, have CYC adjust your cuffs to fit you better. Your collar and cuffs can be made in multiple combinations of size and fit.

# BRIONI

This Italian fashion house takes its name from the Ionian islands frequented by European jetsetters in the first decades of the 20th century. Drawing upon the best craftsmanship, Brioni emerged as an epitome of style for the glamorous continental look, leading fashion trends in both the entertainment and business world in Italy and abroad since its onset in 1963. Today, Brioni keeps its edge in the fashion world by maintaining its dedication to passion, commitment and is adored by international celebrities worldwide, representing the cutting edge of the sartorial expertise and tradition of Italian design.
